We provide a full range of Corporate Finance Lead Advisory and Financial Due Diligence services to our clients. Whether buying or selling a business, restructuring or seeking finance for growth - the Consilium Corporate Finance team will advise and support you through the process. Our services include: Mergers and acquisitions; exit planning; business disposals; restructuring; fund raising and refinancing; business planning; financial projections, financial due diligence and business valuations.

Consilium Chartered Accountants was established in Glasgow in October 2013. The firm was set up by six experienced partners who identified the opportunity to develop an independent Scottish accounting firm focusing on meeting the needs of Scottish businesses. Our partner team includes professionals with expertise in a range of specialist areas including audit, tax compliance and advisory, business services and accounts and corporate finance.
